

## 6A. Travel Guide

Revised 07/02/2007

### A. General Travel Information

1. **This is a State Division of Finance mini-Policy and Procedure Guide. The guidelines in this pamphlet are informational only. See *State of Utah Accounting Policies and Procedures* section FIACCT 10-02.00 for actual policy and detailed travel information.**
2. For **HELP** regarding procedural information on travel or for questions related to the State Travel Office, call the Division of Finance at 801-538-3109 or 801-538-3357.
3. **Travel Agency.** The State has contracted with a travel agency to provide central reservation assistance for the following services:

In-State Travel: Airline and rental car needs. (Travelers may secure their own in-state lodging reservations as long as the rate is within the state lodging per diem.)

Out-Of-State Travel: Airline, rental car, and hotel/motel needs.

- Corporate Travel 801-538-3350
- Emergency Line
  - Weekdays 801-537-9124 (8:00 a.m.-5:00 p.m.)
  - After Hours 1-800-358-1019

The Division of Finance will not honor any reimbursement requests for airline or rental car travel expenses that are not made through the State Travel Agency. Exceptions to this policy may be granted when the travel is being paid for by a third party other than the State and the third party makes the arrangements and payments directly through their own travel agency.

4. **Central Travel Account (CTA).** All airline tickets must be purchased using the Central Travel Account. Airline tickets issued through the Central Travel Account are **not** reimbursed to the employee, but paid directly to the travel card company. The State will not reimburse the employee for the cost of airline travel if it is charged to an individual credit card or to the employee's state MasterCard corporate card.
5. **Reimbursement By A Third Party.**
  - a. An employee who receives a travel reimbursement from a third party for travel that was on state time or for state business should not be enriched by the reimbursement beyond what the travel policy allows.
    - For example, if an employee is paid by a third party \$50 a day for an out-of-state meal allowance, then the difference between the state rate of \$43 and the \$50 must be deposited with the State. An employee who receives from the third party less than the state rate can be reimbursed by the State for the difference.
  - b. Travel expenses reimbursed by a third party may be treated in one of the following ways.
    - Deposit the total third party reimbursement with the State as a refund of expenditure and obtain a regular travel reimbursement from the State.
    - Retain the amount reimbursed by the third party, up to the amount allowed by the travel policy, and accept no State reimbursement. The difference above the state allowance must be deposited with the State.
    - For unique circumstances that prevent you from following the policy, contact the Division of Finance.
6. **MasterCard Corporate Card.** Employees should use the card for payment of **official state business travel expenses**. These cards **cannot be used for personal use**. Employees with a state MasterCard must charge hotel and car rental expenses to the card. Whenever possible, additional business-related travel expenses such as meals, books, fees, and registrations should be charged to the MasterCard. The employee is responsible for paying the balance due and any late fees each month.
  - Customer Assistance 1-800-270-7760
  - Lost or stolen cards 1-800-270-7760

7. **Meals included in registration fee and complimentary meals.** The value of meals included in the registration for a function will be deducted according to the meal allowances. If meals are complimentary of a hotel, motel, and/or association, no reimbursement will be made for that portion which is "free." However, meals provided on airlines will not reduce the meal allowance.
8. **Lodging At Other Than a Hotel/Motel.** If a traveler stays with friends or relatives rather than in a motel/hotel or uses a personal camper or trailer home, the travel will be reimbursed as follows:
- \$25 – No receipts required
  - Actual cost up to \$40 – With signed receipt (campground, trailer parks, not a private residence)
9. **Driving a Private Vehicle Instead of Flying.** Prior approval by the department director is required. Mileage reimbursement will be for the lesser of mileage or air fare unless approved by the Department Director. Mileage is calculated at 36 cents per mile. The rate includes toll fees, parking, etc. Rental car rates cannot be used to calculate the private vehicle rate unless no direct flight is available. Meals and lodging are allowed for a reasonable driving time; however, the total cost of the trip cannot exceed the equivalent cost of the airline trip. Travel time taken for driving during the employee's normal work week that is greater than that which would have occurred had the employee flown will be taken as annual leave and deducted on the Payroll System.
10. **Incidental Travel Expenses.** The traveler will be reimbursed for actual out-of-pocket costs for incidental items such as baggage tips and toll fees. Tips for maid service, doormen, and meals are not reimbursable.
- An original receipt is required for each individual incidental item of \$20 or more.
11. **Incidental Ground Transportation and Parking Expenses.** The traveler will be reimbursed for the use of taxi, bus, parking and other ground transportation expenses as follows:
- Individual amounts less than \$20 – Submit a schedule of payments including date, to destination, from destination, type of travel, location, and dollar amount.
  - Individual amounts of \$20 or more – Submit an original receipt for each item.
  - The State will reimburse employees only for airport long-term parking, **not** for short-term airport parking. Parking receipt must be included with the reimbursement request, regardless of the amount.
12. **Non-Overnight Trips.** An employee may be authorized to receive meal per diem if the destination is at least 100 miles from "home-base." The allowance is **not** considered an absolute right of the employee.
- Breakfast: Traveler leaves home base before 6:01 a.m.  
Lunch: When the trip meets one of the following conditions:
- Trip warrants entitlement to breakfast and dinner.
  - Traveler leaves "home-base" before 10:00 a.m. and returns after 2:00 p.m.
  - Department director provides *prior written* approval based on unusual circumstances.
- Dinner: Traveler leaves "home-base" and returns after 7:00 p.m.
13. **Personal Phone Calls While Traveling.** Personal telephone calls made while out of town overnight on state business will be reimbursed as follows:
- **Four nights or less.** Documentation is not required for personal phone calls made during stays of four nights or less.
    - One night – actual amount up to \$2.50
    - Two nights – actual amount up to \$5.00
    - Three nights – actual amount up to \$7.50
    - Four nights – actual amount up to \$10.00
  - **Five nights or more (this includes the first four nights)**  
The traveler must provide an original lodging receipt or an original personal phone bill showing the phone number called and the dollar amount for all phone calls. This includes the first four nights. No phone calls are reimbursed unless documented on a lodging receipt or original phone bill.
    - Five to eleven nights – actual amount up to \$20.

- Twelve to thirty nights – actual amount up to \$30.
- More than thirty nights. Start over.

## E. Procedures for Reimbursement

### 1. Forms

Submit the appropriate travel reimbursement form. These forms must have the traveler's original signature verifying the expenditures.

*FI 51A State Employee Travel Reimbursement Request For In-State Travel*

*FI 51B State Employee Travel Reimbursement Request For Out-Of-State Travel*

*FI 51C Non-State Employee Travel Reimbursement Request For In-State Travel*

## **2. Documentation**

Attach appropriate documentation to the reimbursement request. See *State of Utah Accounting Policies and Procedures* section 10-02.02 for required documentation.

When an employee chooses to drive on state business rather than fly, the traveler must attach to the reimbursement form (FI 51A) an air fare printout which shows the lowest prices for flights to the desired destination. This printout is available only from the State Travel Administrator. Call the Administrator at 801-538-3109 to request the printout. **Do not call the travel agents for this documentation.**

## **F. Groups: Conference, Training, Retreat, and Service Award Gatherings.**

(See FIACCT 04-11.00 for complete policy on Group Gatherings)

1. If the estimated cost of the state sponsored group gathering is more than \$1,000, agencies must complete an FI 58 to document the estimated costs and approvals. The department director or designee, and the head budget officer of the department must approve the form FI 58.
2. If the facility providing services accepts state per diem rates for food and lodging, no further bids are required and State Travel Office approval is not required. If needed, the State Travel Office will provide assistance selecting a facility.
3. If the facility selected by the agency does not accept state per diem rates for food and/or lodging, then the following policy applies:
  - a. If the total cost of the group gathering is estimated to be \$1,000 or less, the agency may select the best source without seeking competitive bids.
  - b. If the total cost of the group gathering is estimated to cost from \$1,000.01 to \$5,000 then the agency must get two, preferably three bids from other comparable facilities and select the facility with the lowest bid. If the agency cannot get more than one bid then the agency must obtain approval from the State Travel Office.
  - c. If the total cost is estimated to be greater than \$5,000 then the State Travel Office will conduct the procurement.
